

Riverside Parks and Recreation Board Meeting
April 15, 2006
Riverside City Hall
8:00 am

Attending: Sarah Thatcher, Ron Carlson, Jim Frakes, Kathy Rose, Lori Rardeen, Julie Rule
Absent: Jerry Hackenberg

The meeting was called to order at 8:00 am by Chairman Jim Frakes.

The list of priorities from October 2005 and the detailed priority list update were passed out for reference. Key changes agreed included:

1. Moving of E.H. Young Spray Park from high priority to low priority. This was done since many folks thought that the Spray Park might be best coupled with the swimming pool upgrade. This may also help with maintenance concerns.
2. Adding of design of the next section of trail defined by the Master Plan to the high priority list.
3. Moving tennis courts from medium priority to high priority. This was done since the Park Hill School District no tax increase bond levy passed to support the tennis courts.
4. Sand Volleyball Court Relocation removed from the list since completed.

Jim Frakes made a motion to adjourn at 9 am. Julie Rule seconded and the motion was approved.
