Hello F/PAL Families,

At the end of every summer, we look forward to the start of a new school year. It can be so exciting to enter that new classroom for the first time, meet a new teacher, make a new friend, have new adventures and begin a new journey. A new school year means a fresh start. This will be an opportunity to put last year behind you and begin with a clean slate. A new school year is also a sign of change. It is a sign that you are growing and making progress. This will be an exciting time for you as you begin your new school year.

As the 2014-2015 school year begins, the Riverside Fire/Police Athletic League will also be making some changes. We will also be growing and making progress. Just like you are excited to make new friends and have new adventures, we here at F/PAL are too.

During the next 12 months, and beyond, our F/PAL members will see a greater variety of events, activities and opportunities. Along with a greater variety of activities will come a greater "ownership" in our program by our members. Each F/PAL member will be required to register annually. Each F/PAL member will also be asked to pay a small annual registration fee of \$5 for Riverside residents and \$10 for non-residents (sibling discounts and scholarships available for those who qualify).

We look forward to experiencing new adventures with you!!
