Spring into a New Year with Riverside

A Message from Mayor Kathy Rose

Happy greetings for 2018! Ringing in a new year is a perfect time for both reflection on past accomplishments and moving forward on new ones. In 2017, we welcomed new businesses, investment by existing businesses, and a number of great new people who decided to make Riverside their home.

2018 promises to be just as exciting and engaging. All residents, businesses and community stakeholders will have a variety of opportunities to be involved in some important processes that will help guide the City in the future. After a four-year break, look for our city-wide survey which will be coming out in the early spring. We will also kick off a parks master plan that will help us to revitalize E. H. Young Park. The data, input and feedback given from these projects will help us align City priorities, services and budget to continue to make Riverside a great community in which to live, work and play.

We are also excited about new housing and development opportunities in 2018 that will bring more residents, commerce and jobs to the City. I sincerely hope that I have the opportunity to meet all of you at some point during the year because you are what makes Riverside "Upstream From Ordinary." Please make sure to follow us on all social media outlets to stay up to date.

Riverside Police & Fire Deliver Holiday Cheer

This past December, Riverside Police and Fire again stepped up to make a big difference in the lives of our community's Senior Citizens and Children.

According to Riverside Police Chief Chris Skinrood, the season saw one of the largest groups of attendees for the annual Senior Dinner, where our Police and Fire departments prepare and serve a delicious holiday meal, complete with good cheer.

The Police and Fire Departments also put on a very successful Shop with a Cop and Fire Fighter program in 2017. Personnel stepped up and helped to make our programs a success.

Dollars spent: \$10,370

Kids in attendance: 43

Food boxes given away: 28

Members of Riverside's Police, Fire and Communications departments gave up their nights and weekends to make the season bright for many in our community who might not have otherwise enjoyed a happy holiday. "Time and again, everyone steps up and makes the different things we do so successful that it really makes us stand apart from the rest. This year was no exception," said Chief Skinrood.

Riverside's Own Seattle Fish Receives Recognition

Seattle Fish was celebrated and honored at the Platte County Economic Development Council's 2017 Annual Business Excellence Luncheon on Dec. 8. Jackie Brockhoff, Sales Director, and Chelsea Vien, Human Resource Director, joined Mayor Kathy Rose to receive the 2017 Community Development Award.

F/PAL Skating Party

City Seeks Input on E. H. Young Riverfront Park

Plans Include New Amenities and Programming in the Park

What would you like to see and do in your City park? The City of Riverside wants to know. The City is in the process of hiring a consultant to assist with the master plan update for E. H. Young Riverfront Park. The purpose of the plan update is to refresh the park with new amenities and programming to give residents and visitors even more to enjoy and experience.

As part of the process, the City is inviting residents to participate in the planning phase. There will be several opportunities in the next few months to share your input, such as by completing the Riverside

2018 Resident and Business Survey, or attending upcoming focus groups and public meetings.

Please make your voice heard by contributing to the planning process: Follow Riverside on Facebook and Twitter, and check RiversideMo.com for more details.

For questions about the process and how to become involved, contact Noel Challis, Capital Projects and Parks Manager, at (816) 372-9028 or nchallis@riversidemo.com.
